March 20, 2016

The New Covenant is a better covenant because...

- A. It radically changes its worshippers.
- B. It fulfills the worship regulations previously followed under the old covenant.
- C. It functions in the same way that the last will does.
- D. It **permanently** cleanses its **worshippers** and makes them **accepted** in God's presence.
- E. It was **inaugurated** with just one sacrifice.
- F. It **supplies** us with a **Savior** who goes before us.
