

**Now It's Your Turn**

Hebrews 11:39 – 12:2

July 3, 2016

Now it's your turn to run with **endurance** the **race** set **before** you.

But, I **can't** do this! Yes, you can **because**...

A. 11:39-40 – We're all part of the **team** and **everyone** must finish the race before **final** rewards are **received**.

B. 12:1 – You're not the **first** God has **called** to run this race.

C. 12:1 - The **shortcuts**, while **tempting**, don't deliver on their promises.

D. 12:2 – You're right, you can't run on your own. Thankfully we run our race in His **strength** and **resources**.

E. 12:2 – It will be **more** than **worth** it at the **end**.
