

# Haggai: Consider Your Ways!

Haggai  
November 27, 2016

- A. Those who had returned to Israel were floundering and needed a right diagnosis of their problem.
  
- B. They responded with genuine repentance that produced change.
  
- C. But implementing lasting change is hard.
  - a. It requires addressing the negative thoughts that still threaten with the truths God supplies.
  
  - b. It requires maintaining a right view of sin and remembering that sanctification is a process.
  
- D. In the end we maintain hope because God is faithful to keep His promises.
