

Mark: God Has Come Near

Mark 7:31 – 37

October 15, 2017

God has come near to us in Jesus and calls us to seek Him because...

- He has sent others to tell us of His work accomplished in them.
- He is speaking our language.
- He is engaging us personally.
- He has felt our pain.
- The temptation will be to obey.
- Only His touch can enable true hearing, seeing, understanding and witness.
